ABOUT Us :

"SPT Blastech" Surface Preparation Technologies, we are a leading provider of cutting-edge solutions in the field of surface treatment. "SPT Blastech" has made a significant impact on the engineering industry in India and has earned a reputation as a trusted supplier of shot Blasting /Peening Machines.

Our company is based in Jodhpur, Rajasthan and we take pride in our role as industry innovators, specializing in advanced techniques for surface treatment.

With a history marked by excellence, we have established ourselves as a trusted name in the industry, delivering high-quality solutions to meet the diverse needs of our clients. Our core areas of expertise encompass a wide range of shot blasting, sand blasting, and various other innovative methods.

Our commitment to staying at the forefront of technological advancements is unwavering. We continuously invest in research and development to offer state-of-the-art equipment and solutions for surface treatment, ensuring that we can meet the evolving demands of various industries.
